Contains at least 2 JavaScript Interactions (Indicate what/which page) [I have a play/pause button on my home page and a date and time javascript on all the other pages.](#)

Who helped you? With what?

Who did you help? With what?

If you had more time, what would you do?

Points	Required items	Concepts	Overall Presentation
75	Some missing items	Items demonstrate many of the desired learning outcomes. Missing javascript interactions.	Items are organized with school appropriate content. Consistent use of inconsistent pictures, animated on each page. Nice resume. Do you want all that

			<p>personal info on it? Recommend just your e-mail. Your reflection should be private, only shared with me. You are missing many reflections including an inventory of your assets. Your portfolio page links twice to the game, once to the story. Poor contrast on text links. I almost missed it.</p>
90-100	<p>All required items are included, with a significant number of additions. Always attentive and engaged.</p>	<p>Items clearly demonstrate that the desired learning outcomes have been achieved. The student has included many features gained through self-study/collaboration and has gained a significant understanding of the concepts/applications.</p>	<p>Items are clearly introduced, well organized, correct and creatively and appropriately displayed. Incorporates best practices of web design and style. Resume showcases student's best, most current work and reflects well on student and CHS.</p>
76-89	<p>All required items are included, with some additions. Distracted, missed steps/doesn't follow directions, weak pair collaboration.</p>	<p>Items demonstrate many or most of the desired learning outcomes. The student has gained a general understanding of the concepts and applications.</p>	<p>Items are introduced and somewhat logically organized. Some duplicated, or less-than-professional content, some links don't open in new tab/ broken links. Inconsistent style/alignment. Missing/late links to completed work.</p>
50-75	<p>A number of required items are missing.</p>	<p>Items demonstrate some of the desired learning outcomes. The student has gained some understanding of the concepts and attempts to apply them.</p>	<p>Items are not introduced and lack organization. Duplicated or unprofessional content, and/or broken links. Little /no or inconsistent style that detracts from the site.</p>
0-59	<p>Minimal/marginal or no work submitted. Regularly off task, not listening, on phone or games, doing work from other</p>	<p>Items do not demonstrate basic learning outcomes for the term. The student has limited understanding of the concepts.</p>	<p>Inappropriate content.</p>

	classes. Leaves pair behind.
